About This Content

Pirate Adventurers

Ahoy Lubber!

With **PIRATE ADVENTURERS** you can provide your players with new player character options for 5th edition to create pirate themed characters. These options can be used to play an entire campaign in a pirate setting, or just to provide a player with more pirate flavored options than provided by core 5th edition materials.

Allow your players to dive into custom backgrounds, equipment, feats and shipboard roles created just for their swashbuckling pirates and privateers.

This product will allow you to provide your players with additional player character options and equipment for your pirate themed world:

- 4 new variant backgrounds for the sailor background
- A boatload of pirate weapons & gear
- 3 new pirate flavored feats

-
- Shipboard roles for your characters to gain new abilities geared towards naval combat
 - These materials were designed to be used with 5th edition rules and can be played directly into your 5th edition favorite campaign.

Its good, but it is missing one important thing that makes a pirate adventure and that is ship to ship battles. Luckily I found a PDF of Dungeons and Dragons Nautical Adventures (wished that FG sell it, but o well abit of work to import it in to 5e).
